Soccer Coaching & Multi-Sport Activities

SkillZone - inspire, encourage, develop

Professional soccer coaching sessions for all abilities - challenging players at their skill level. We encourage positive play at all times, building children's skills, confidence and self-esteem.

Talented players will be inspired by a dynamic style of coaching that engages them from the outset in an exciting and motivating session and may be invited to attend a SkillZone Platinum Centre.

A typical day will include fun warm up games, followed by skills coaching and technical drills plus mini matches, practising new skills learned that day.

Tournaments are held on Fridays and children compete in teams to win "The SkillZone Cup".

FunSport - making sport fun for everyone

Our innovative programme of games and skill practices will greatly enhance the development of your child's ABCs- Agility, Balance, Co-ordination - the fundamentals of sporting performance. A typical day will include fun games such as Medicine Man, Ultimate Frisbee, Capture The Flag and Shark Island; plus a wide range of sports and activities. The "FunSport Games" are held on Fridays and children compete for their team to win a prize and medals.

We take children aged 4 to 12 years. Children from 5 years of age may stay a full day. 4 year olds may attend half days only.
